

**St Thomas of Canterbury
Church, Brentwood
WEEKLY BULLETIN**

**Tenth Sunday after Trinity
9th August 2026**

Father Mark writes... Welcome, in the name of the risen Christ, to our worship today at St Thomas. If this is your first visit, please make yourself known to one of the sidespersons or a member of the ministry team — you are very welcome here. Please join in with the text printed in bold; at the 10.00am service we sing the hymns and some parts of the liturgy. Details of this week's services are given below, and the order of service is also available online, with printed copies available for those who prefer them. Holy Communion is distributed in both kinds. We come forward to stand at the foot of the dais, and the ministers will come to you. Those who do not normally receive the Blessed Sacrament are warmly invited to come forward for a blessing, with hands crossed on the chest; children are most welcome. Families and children are very welcome. If younger ones need a break, the Church Centre (through the double doors on the right) offers a space where the service can still be seen and heard, with activity bags available. Toilets are also located there, and refreshments are served after the 10.00am service. If you would like to receive a parish news by email, please complete a yellow family roll form and give it to a sidesperson. St Thomas' Church is entirely self-funded and relies exclusively on donations, without financial support from any external source.

THE BRENTWOOD FOODBANK is currently looking to recruit a small number of committed volunteers who have a heart for serving others and walking alongside people facing difficult circumstances. They are looking for a Foodbank Hub Team Leader and other regular Foodbank Hub volunteers. More than experience, we are looking for people who are passionate about serving those in our community with dignity and compassion. We deeply value the support of churches across Brentwood and all that we can achieve together. Please contact 01277 224528 for more details.

150th anniversary Community Project 2033

This ambitious project to preserve our church is moving forwards! A topographical survey of the church grounds has been completed and a feasibility study is underway. This will explore energy-efficient upgrades, renewal technologies, solar PV, EV charging, improved electrical infrastructure, and sustainable heating and ventilation solutions. A drainage survey is currently out to tender, using CCTV inspections and high-pressure jetting to identify any issues and required repairs. **Together, these studies will help shape a more sustainable, resilient and welcoming church for the future. We need your support! Please look out for details to follow soon! Visit www.st-thomas.org.uk**
